- 6) Lot sizes are mostly 20 ft by 40 ft, however some lots will be different in size because of the terrain of the land. Those along the river will be on a first come basis (first registrations received requesting them)
- 7) Since this is an event for Relay for Life, where we remember those we have lost to cancer and honor those who have fought that battle and survived or who are still in the battle – we invite you to bring pictures or moments to share at your campsite. Friday we will have available to those interested – white bags with a battery operated candle and a sandbag to weight the bag down. We will sell these for \$5 each. They can be decorated in honor of or in memory of your friend/loved one and Friday night, we encourage you to turn on your candle and light up your campsite so that others can do a luminaria walk thru.
- 8) Saturday we will do a Messages to Heaven balloon release. This is open to the community as well. I have found a place that makes balloons that are earth friendly. So for \$5, you can write a message to a loved one you have lost and we will do a balloon release at a time to be announced a little closer so it doesn't interfere with turn in times.
- 9) Cooks Meeting is at 8:00 am Saturday, July 16. We will go over all turn in times.
