Access for boater parking will be left open and is mandated and governed by rules of the Galveston County Parks and Recreation. We will rope off the area so we do not interfere with boat traffic.

Move in no earlier than Thursday November 29th at noon. Water and electricity will NOT be available.

Campers & RV's are allowed and must be self-contained. Water is available at the bar if needed and an additional hose will be set up on the mid way at the property for access to water if needed. Rules must be followed in order to have this cook-off and be able to do it again in the years to come as a condition of City of Hitchcock, Hitchcock Police Department and Galveston County Parks Department for allowing us to make this a fun and safe weekend event.
