Kirbyville Youth Football Association

The goals of KYFA are to develop and maintain a properly supervised youth football and cheer program. Our children range from 5-12 years old. We strive to create an enjoyable family atmosphere for parents, youth, and all participants involved. We work together with the surrounding communities to encourage good sportsmanship, confidence, and encourage physical fitness in our children.

In order to reach our goal of building a solid foundation of success, we need your support. This event will help purchase safety and training equipment for about 200 children that participate in our organization. Safety continues to be our main priority, so continuous improvements and upgrades will always be needed from year to year. There is also a steady increase of new children each year that join our program that will need new equipment. We encourage participation by keeping costs to the parents at a minimum.

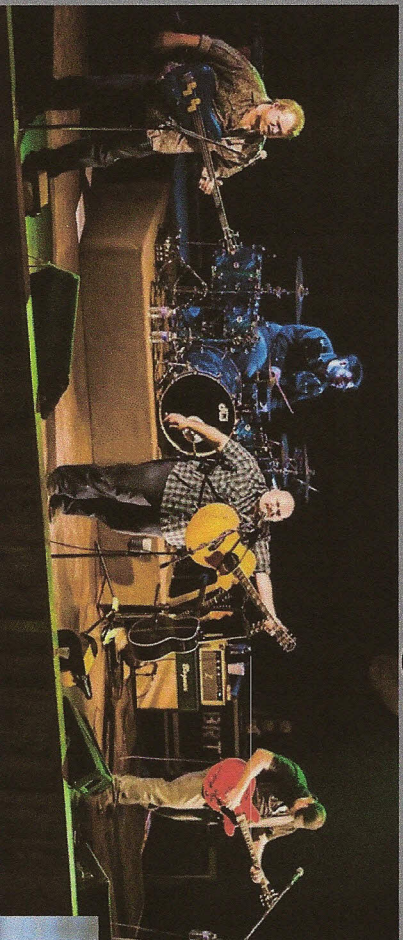

This will be our main fundraiser for the year and it is very exciting for all involved. This will not only help KYFA, but our community as well. Thank you for your support and we look forward to having you involved in this great event.
