General Rules

Set Up will start on Thursday after 5pm; Move Out will be on Saturday after awards but no later than Sunday.

All area must be vacated and clean of trash by 5pm on Sunday. Camper & RV's will be allowed to be set up in the open field past the boat launch parking in the designated 30' wide x 40' long slot, which depends on number of entry's and space available. Access for boater parking will be left open and is mandated and governed by rules of the Galveston County Parks and Recreation. We will rope off the area so we do not interfere with boat traffic.

CHOICE OF SPOTS WILL BE ISSUED ON FIRST PAY BASIS AND ASSIGNED DURING THE CHIEF COOK MEETING ON. SINCE THIS IS AN ANNUAL EVENT, THE SPOT YOU GET THIS YEAR WILL BE YOURS EACH YEAR IF YOU WISH TO RETURN AND PAY BY THE DEADLINE DATE. NEW ENTRIES WILL GET TO SELECT SPOT BASED ON A FIRST PAY BASIS AFTER COMMITMENT OF LAST YEARS PARTICIPANTS.

Campers & RV's are allowed and must be self-contained. Water is available at the bar if needed and an additional hose will be set up on the mid way at the property for access to water if needed. Rules must be followed in order to have this cook-off and be able to do it again in the years to come as a condition of City of Hitchcock, Hitchcock Police Department and Galveston County Parks Department for allowing us to make this a fun and safe weekend event.

- 1) Fires for cooking must be Wood or Wood substance.
- 2) No garnishment allowed.
- 3) Noise Ordinance must be followed. All music must be turned down to be heard by your campsite only by **10pm** each night.
- 4) Each Team is responsible for keeping their area in an orderly and clean manor. Additional dumpsters will be provided for the weekend to be located in a central area for everyone to access.
- 5) Chief Cook is responsible for his/her area and to monitor intoxication levels of their groups.
NO MINORS WILL BE ALLOWED TO CONSUME ALCHOLOL ON PREMISES!
- 6) No open fires will be allowed, per City Ordinance.
- 7) Vehicles can be parked on the opposite side of the road running parallel with 2nd ST, this will allow more room for multiple vehicles, let's be courteous to others and not run parallel with the road
- 8) Each team to provide the names of two persons per team for judging, this will be done by a drawing for who will be judging each category. Number of judges will be determined by number of entries. Six judges for every ten teams will be drawn, in the event we have an odd number, i.e. 15 teams, we will draw 10 judges, 2 tables of 5 each, a flip of the coin will determine what table samples the additional plate. Note: This rule may change if certified judges are available.
- 9) There will NOT be a second cut, one entry and all points will be totaled to determine the winner. In the event of a tie, a flip of the coin will determine the winner.
- 10) Fire Extinguishers must be at each site.
- 11) Meat Inspection is NOT required. A meat inspection will not be conducted. In the Chicken, Rib and Brisket categories, competition meats must be raw and cannot be seasoned, marinated or on the pit before the official start time of Friday at 6pm. No pre-cooked, pre-boiled or pre-marinated meats. Fajitas and/or Wings can be pre-marinated (no inspection) but must be cooked on site.
We are relying on the teams to be honest and not break this rule.
- 12) Limited driving in the cooking area after 9pm. No full size vehicles. Golf carts and ATVs will be allowed. All state and local laws must be followed.
